

HOW CAN YOU SUPPORT?

The war in Ukraine is ongoing. We are expanding our support to those who cannot return home, especially the elderly. We are raising funds to cover daily center operations, building modernization, and specialized psychosocial care for our residents.

DONATIONS & PUBLICATIONS

PASTORAL FAMILY CARE FOUNDATION

📍 Przemyśl, Polska

We are a humanitarian and charitable organization providing long-term accommodation and care for refugees, helping them rebuild their lives with dignity and hope.

The community center in Przemyśl is a safe and welcoming space for everyone.

We strive to make our center as close to a real home as possible through a community atmosphere, shared meals and recreational activities, art workshops, language lessons, and psychological and spiritual support.

✔ From the beginning of the war in Ukraine in February 2022 until August 2025, PFCF has helped over **1,870 people**. The foundation has paid for **168,962 nights** of accommodation and provided **506,886 meals**.

⌚ The average length of stay at our center is **1.5 years**.

Currently, there are over **60 refugees from Ukraine** staying at the center in Przemyśl, mainly people from vulnerable groups: the elderly, the sick (including cancer patients), the disabled, and mothers with small children.

The war in Ukraine continues, and support for those affected by its consequences remains a **key need**.
