PASTORAL FAMILY CARE FOUNDATION

Helping People Rebuild Their Lives

Future Directions. Four Years of Humanitarian Response
to the War in Ukraine at the Polish-Ukrainian Border in Przemyśl.

From Assistance to Independence and Long-Term Care

4 YEARS OF CONTINUOUS HUMANITARIAN SUPPORT

OVER 10 000 BENEFICIARIES

PFCF is a humanitarian organization operating at the Polish – Ukrainian border in Przemyśl, in a context of **prolonged war, geopolitical instability, and deep uncertainty** about the future of millions affected by the conflict.

With no clear perspective for an end to the war in Ukraine, the need for long-term, structured humanitarian support remains critical.

Building a Sustainable Future

Why We Need a New Kitchen

To transform our Humanitarian Aid Center into a sustainable social enterprise that creates jobs, serves the community, and funds humanitarian programs.

What We Will Create

- A modern professional kitchen
- Catering services generating sustainable income
- Jobs and training opportunities for refugees

Social Impact

- Jobs and vocational training
- Sustainable funding for humanitarian aid
- Stronger community resilience

FULL PROJECT

COMMUNITY KITCHEN & SOCIAL ENTREPRISE

PFCF is launching a **social enterprise catering service & restaurant** that creates jobs, promotes social inclusion, and generates sustainable income for humanitarian programs.

Your support creates jobs, dignity, and lasting impact.

Income generated through the catering enterprise will support the Humanitarian Aid Center while creating jobs for people facing social and economic exclusion.

Investment Needed

Kitchen renovation, equipment & refugee employment:

250,000 USD

Passenger lift installation:

150,000 USD

Join Us!

We welcome support from donors, companies, foundations, and institutions.

Your contribution creates jobs, improves accessibility, and helps people rebuild their lives with dignity and independence.
